## Independent Auditor's Report

Board of Directors  
The Unforgotten Incorporated

We have audited the accompanying statement of financial position of The Unforgotten Incorporated – a not-for-profit organization as of December 31, 2010, and the related statement of activities, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Generally Accepted Auditing Standards (GAAS) in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2010, and the changes in net assets, and cash flows for the year then ended in accordance with Generally Accepted Accounting Principles (GAAP) in the United States of America.
